EFFECTIVE	June	Resolution 269.09.22 264.07.22 128.05.25	Policy # 2019-06

The R.M. of Shellbrook will subsidize ratepayers who choose the option of:

- Calcium Chloride
- GreenBond Recycled Vegetable Oil
- Canola Oil
- MG 30

for Dust Control Measures at a rate of 50% to a maximum of \$300.00; invoices must be submitted to the Municipal Office in Shellbrook to receive payment.

- All reimbursement must be in the current year
- Yard sites must be adjacent to the road in which the product is being applied to be eligible to receive subsidy.

This policy will be revisited annually.
